Sir:

Submitted herewith is a substitute computer readable form of the sequence listing of those sequences in the captioned patent application in compliance with the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, mailed April 17, 2002. The Substitute computer readable form of the sequence listing is the same as the paper copy of the sequence listing supplied on December 20, 2001. The sequence information provided in the Specification is also the same as the sequence information contained in the enclosed substitute computer readable and initial paper forms of the sequence listing.

In accordance with 37 C.F.R. § 1.821(g), it is herewith represented that no new matter is included with this submission.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Pat. Kammerer".
